WHAT MAKES US **UNIQUE**

Our congress is the second-largest event of its kind in Europe, we follow new trends in mental and physical health, and bring them to a wide audience in live and online events.

We build a community of open-minded professionals and enthusiasts united by perceiving the need for a bio-psycho-social approach to humans, their health and healing.

**Support us and become a part of the change.
Transforming the approach to people, their health, wellbeing and to themselves.**
